Built-in bathtub

Finishes

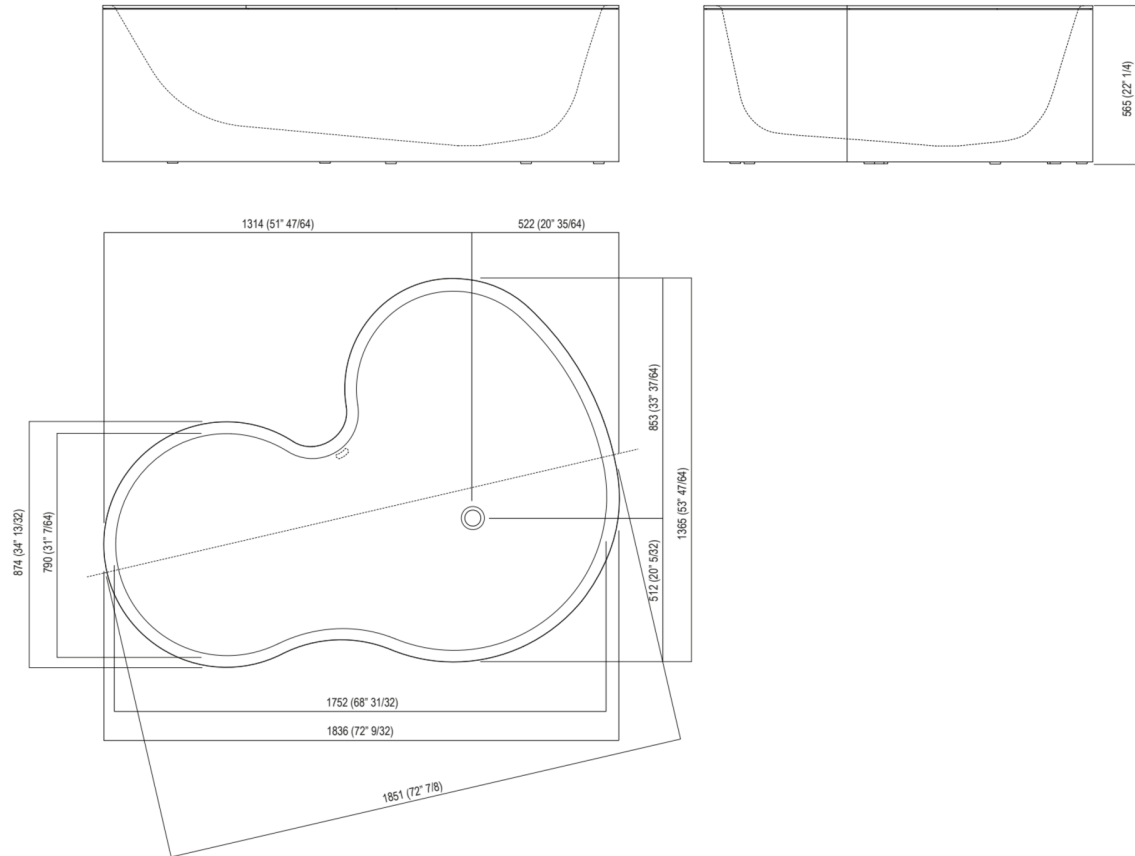

White

Bathtub in white Solid surface with outer structure in poplar plywood with natural oak, brown oak, dark oak, teak finish or soft touch lacquered in white, light grey (RAL7044) or dark grey (RAL7021). Water supply also possible from the inside of the bathtub thanks to a hole equipped with polished stainless steel ring. Chromed waste trap included .MET870 (.MET0434 for bathtubs on display). Available in built-in version. For easier installation we recommend to use the template for the positioning of the waste trap AKITPZVAS. The bathtub is irregular in shape and therefore supplied with template. For proper positioning of the bathtub and systems the template can be ordered beforehand (.IMB1876).
 Materials used: Solid Surface.

Packaging measurements:	205 x 153 x 85 cm	80" 6/8 x 60" 2/8 x 33" 4/8 inches
Weight with packaging:	155.0 kg	341 lbs

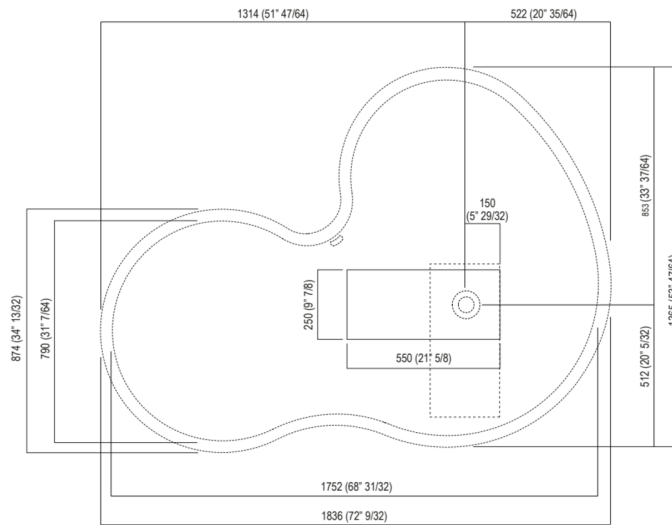

Main dimensions

Dimensions for recess

Per un corretto posizionamento del pozzetto e della rubinetteria è necessario utilizzare la dima in cartone con sagoma uguale al profilo superiore della vasca.
 For a correct positioning of the recess and the tap it is necessary to use the carton template with the shape of the upper rim of the bathtub.
