# QUADRO CELESTE

CONTEMPORARY COLLECTION

designed by Studiopepe.

**Quadro Celeste by Studiopepe.**

For the collection *Quadro Celeste*, Studiopepe takes their inspiration from archetypal graphic elements such as the numerical grid of the *Quadrato Magico* or *Magic Square*. The *Magic square* is a grid where the total of every row and column including the diagonal lines always adds-up to the same number. This number is called the *magic constant* or the *magic sum* of the square. In the collection it is this number which gives the name to every rug. The project is completed with a collection of wallhangings which interpret the rug as a sculptural object with a strong symbolic meaning. The use of the color becomes the contemporary break of a geometry dominated by shades of wool and natural shades.
