

BM1106 | HUNTSMAN CHAIR

BØRGE MOGENSEN

CARL HANSEN & SØN

DESCRIPTION

Designed in 1950 by Børge Mogensen, the Huntsman Chair was reintroduced in 2019. The luxurious saddle leather is held taut by buckles and brackets in steel or brass and contrasted by a solid wood frame. The design makes for a flexible and comfortable chair that allows for a variety of sitting positions.

DESIGNER

Børge Mogensen (1914–1972) was a pioneer in democratic design and was known as ‘the people’s designer’ – partly due to his engaging personality, but also because he always designed quality furniture that was within people’s reach. Mogensen’s democratic design included simple and functional wooden furniture, with calm aesthetics and strong construction from quality materials.
