**LOOSE AND BACKREST CUSHIONS**

Loose and backrest cushions are available in different dimensions and are used to complete seating comfort.

Padding: polyester fibre, fixed foam covering in waterproofed polyester.

The backrest cushion, cm 50x60, is completed with an additional polyurethane insert.

Upholstery: removable and available in the fabrics Luz, Rope T, Brio, Thea or Wara.

FLOOR CUSHIONS

Padding: polypropylene microspheres.

Padding cover: fixed, in three-dimensional polyester fabric.

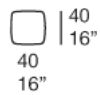

Upholstery: removable and available in the fabrics Rope M, Aquatech, Brio, Thea, Wara, Aero, Thua o Kimia.

Notes:

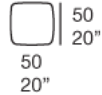

Cover for floor cushions can also be made with the same mélange braids used to produce the Navajo rugs. The braids are sewn lengthwise according to a pre-determined scheme.

These products can be used also in interior environments.
