## KETTAL BITTA / SWING SOFA

PRODUCT TYPE SOFAS

PRODUCT FAMILY KETTAL BITTA

PRODUCT REFERENCE #70998

Kettal Bitta is characterised by a combination of aluminium frames , seats of braided polyester and comfortable cushions, teak and stone for the table tops—all completely weatherproof materials.

My aim was to create dense braiding that would still let the air through, reminiscent of the braiding of the ropes used to moor boats (hence the name Bitta, which means 'mooring' in Italian), which makes the pieces look lightweight but, at the same time, they look just like cosy nests in natural colours to sit back and relax in.
