

Series composed of dining and side tables with aluminum base – matt varnished in avorio or grafite colour or gloss varnished in the colours in the collection – and Luce top.

Nesso is enhanced this year by a **new top** in Cristal, the laminated glass, made by inserting a layer of Brio fabric between two sheets of transparent extralight glass, and by a **new functional swivel round top**, to place in the middle of the dining tables, available in the same finish of the table top.
