CARL HANSEN & SØN

DESCRIPTION

The Embrace Chair is a 2019 addition to the Embrace Series by Austrian design trio EOOS. Visually light, the chair has no armrests and will take up less space. The design allows for great freedom of movement. The upholstery is folded in two dimensions, giving it a relaxed air, which contrasts perfectly to the shaped wooden frame.

PRODUCTION PROCESS

All parts are processed on machines. Afterwards they are polished and assembled by hand. After treatment the upholstery is mounted on by hand as well.

DESIGNER

EOOS, is a design collaborative established in Vienna in 1995 by Martin Bergmann (b. 1963), Gernot Bohmann (b. 1968), and Harald Gründl (b. 1967). EOOS views design as a poetic discipline, believing that end results should be able to accommodate changing needs and desires. EOOS designs for many of the world's best-known brands. The trio has won over 130 international awards.
