

Onda 002 Chaise longue

Design Gordon Guillaumier

Technical Information

Fluid lines and deconstructed volumes welcome the most easy-going relaxation. Lounge-chair, chaise-longue and pouf are the elements of the ONDA collection, whose cheerful, cosy shapes are ready to animate the atmosphere with refined informality. Seating is soft and compact, with an inner water-repellent liner designed for carefree outdoor use. The base is covered with Batyline, making it immune to rips and suited for uneven paving. A practical strap handle on the two larger pieces makes the Onda easy to move around.
