

Consoles.

The Sciara series also includes dining tables and side tables available in different dimensions.

Structure: AISI 304 stainless steel, matt varnished in avorio or grigio lava colour, plastic spacers.

Top: lava stone with glass décor as a single element.

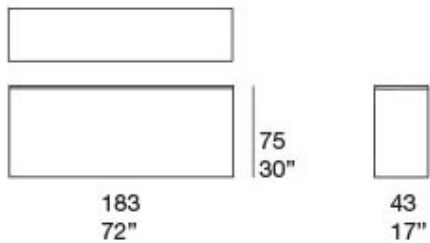

Notes:

The top décor is made by hand and makes each single piece unique. The material, the particular production process and technique lead to different patterns on each element, which in turn form tops, which are different from one another, even within the same batch. Irregularity is the featuring characteristics of this production process.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
