R&D POLIFORM (2003)

## DESCRIPTION

Arca, design by R&D Poliform, a bed with multiple personalities. It has a classic solid frame, but can also be romantic and dreamy when covered in a valance. There are two different choices of the headboard, either high or low, and either can be finished in wood, fabric or leather. The Arca is a bed that can interpret many different styles, helping you to create the bedroom you have always dreamt of.
