

CODE

R&D POLIFORM (2020)

DESCRIPTION

Code is a versatile system that offers unprecedented freedom of design. Conceived for the contemporary living room, it also extends to the night area, where boiserie, suspended containers, and shelves are reinterpreted as standalone elements or in combination with wardrobes and walk-in closets. To complete the system, a collection of sideboards to be freely configured – choosing between open compartments, showcases, drawers, hinged or flap doors. The versatility of the system is also expressed through the variety of finishes, to customize down to the individual component.
