

ABBINABILI

R&D POLIFORM (1991)

DESCRIPTION

The collection offers a further possibility to realise the fitting of one's own universe for the night zone, following one's own taste and organising the ambience in an enlightened way. The functionality and the rigorous shape make it possible for this collection to match easily with all Poliform beds. The elements of the collection, used also alone, can be placed in every room of a house as they contribute to personalise every room.
