

MAD JOKER

MARCEL WANDERS STUDIO (2016)

DESCRIPTION

The Mad collection is completed by the addition of a new 'character': an armchair with a tall, enveloping backrest, which conveys a comfortable, reassuring sensation. A much smaller size than the usual ear typology, this chair wonderfully fits multiple spaces of various dimensions, while still being very comfortable, enveloping the user and providing privacy. Mad Joker foresees two structural solutions: one with wooden feet and the other with a spinning base in die-cast aluminium.
