

Chaise longue with upholstery cover hand-woven onto the structure.

Structure: gloss varnished stainless steel AISI 316 (reference colours: Mano Lucida wood sample collection), plastic spacers.

Structure weave: fixed, available in three different patterns (A, B or C) in Twitape yarn.

A seat pad and a loose cushion are necessary for complete seating comfort.

Seat pad: removable, in open cell polyurethane covered with three-dimensional polyester fabric or Flex.

Loose cushion: removable, in polyester fibre, fixed cover in waterproofed polyester.

Seat pad and loose cushion upholstery: removable and available in the fabrics Luz, Rope T, Brio, Thea or Wara.

Notes:

This version of Wave foresees a fixed backrest.

New weaves are made by hand and are inspired by the complex knots of Japanese tradition.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
